

A background image of a belt sander machine. The machine is grey and black, with a red safety sign on top that reads "CLEAN AFTER EACH USE - DO NOT WEAR GLOVES WHILE SANDING". The machine is positioned on a light-colored floor.

Belt Sander Cleaning Procedure

- 1. Sweep up shavings off of floor*
- 2. Vacuum all remaining shavings (on and off machine)*
- 3. Scan 360 degrees around machine repeat above steps if necessary*
